

BGPE Mini-Workshop

Women's empowerment and economic development

14 December 2018, University of Passau

The Chair of Development Economics of the University of Passau (Prof. Grimm) organizes a workshop on women's empowerment and economic development. Topics covered by the workshop include the evaluation of interventions targeted at women, female labor market participation, intra-household resource allocation, domestic violence towards women and the measurement of women's empowerment. The workshop features five presentations each of 45 minutes plus 30 minutes discussion. The workshop is open to all members of the BGPE network (please register before 1 December 2018 at devecon@uni-passau.de). There is no registration fee.

Invited speakers:

Sofia Amaral, University of Birmingham/LMU München

Micheline Goedhuys, UNU-MERIT Maastricht

Eleonora Nillesen, University of Maastricht/UNU-MERIT Maastricht

Helmut Rainer, LMU München

Zaki Wahhaj, University of Kent
